

## PROGRAMS AT YOUR FACILITY

---

Milford Ambulance offers many programs to be taught off-site at your request. We understand that it is sometimes, more convenient to have a program taught at YOUR facility. The following certificate programs are available for instruction by a certified instructor remotely.

- Adult CPR
- Infant and Child CPR
- Basic First Aid
- AED
- Healthcare Provider CPR

Contact the ALS / Community Education Coordinator for further details and/or to schedule a program at your site.

## ***BASIC FIRST AID***

# BASIC FIRST AID

Milford Ambulance Service provides instruction in basic first aid concepts that can be taught to the community lay person. This program meets the requirements as set forth by the State of New Hampshire for childcare workers, lifeguards, etc.

*Most courses last approximately three (3) hours in length and certification cards are issued upon successful completion of both the practical and written requirements.*

## COURSE PRICING

Course pricing depends on the number of students that are enrolled in the program.

Contact the Community Education Coordinator for complete pricing lists for your program.

**The following is a list of first aid programs that we can provide to a group.**

**Basic First Aid** - This 4 hour class involves the skills needed to perform basic first aid on a victim to help stabilize them until EMS personal arrive. Skills learned will include bleeding control, splinting, medical emergencies, environmental emergencies, emergency moves/transfers, and more.
